Application No. 09/396,530

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received at the Board of Patent Appeals and Interferences on April 17 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below.

On January 4, 2005, appellants filed a reply brief in response to the examiner's answer mailed November 30, 2004. However, there is no indication on the record whether or not the examiner has responded to the reply brief. Section § 1208.03 of the Manual of Patent Examining Procedure (8th ed., Aug. 2001) states:

Application No. 09/396,530

[A]ppellant may file a reply brief as a matter of right within 2 months from the mailing date of the examiner's answer. . . . The primary must then either: (A) acknowledge receipt and entry of the reply brief by using form paragraph 12.47 on form PTOL-90; or (B) reopen prosecution to respond to the reply brief. See MPEP § 1208.02.

Accordingly, it is

ORDERED that this application be returned to the examiner for: 1) proper response to reply brief; and 2) for such further action as may be appropriate.
